UNDER 37 CFR 1.97 AND 1.98

Sir:

Attached hereto are copies of Form 1449 and Form 892 that were submitted to or cited by the U.S. Patent and Trademark Office in Application No. 09/771,035, filed January 25, 2001, which was relied upon for an earlier filing date under 35 U.S.C. 120. Thus, copies of these cited references are not attached since they are available in the parent files. 37 CFR 1.98(d). However, the Applicant will gladly provide fresh copies of any references requested by the Examiner.

It is respectfully requested that the cited information on the attached Form 1449 and Form 892 be expressly considered during the prosecution of this application, and that the references be made record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action on the merits. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 500933. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.
